PART TWO: ALL STUDENTS

8. WHERE TO GO FOR HELP

- 8.1. If you need advice on any aspects of attendance or engagement, or if you have queries about visa requirements, you can contact the Student Hub at studenthub@tedi-london.ac.uk.

9. EXTERNAL REPORTING

- 9.1. We (TEDI-London) are required to report attendance to the Student Loan Company for all students in receipt of funding through them. This includes reporting any withdrawal from or interruption of studies.
- 9.2. For **Student visa holders**, we are required to check your attendance and engagement on your programme and keep records of attendance to comply with UK Visa and Immigration (UKVI) requirements, please see [Part Three](#) for further information on the process for this.

10. IF YOU ARE UNABLE TO ATTEND

- 10.1. We understand that sometimes there are genuine reasons that you are unable to attend. If this is the case, you should email the Student Hub (studenthub@tedi-london.ac.uk) as soon as possible so that we can make a note of this on your record.
- 10.2. If you are unable to submit/attend an assessment due to mitigating circumstances, you should follow the Mitigating Circumstances process.
- 10.3. If you feel that you will continue to have difficulty in attending, you may wish to withdraw or interrupt your studies in line with the TEDI-London Withdrawal and Interruption Policy.

11. CONTACT POINTS

- 11.1. Contact points are all attendance and engagement activities that TEDI-London expects you to take part in. These include:

- a. **All timetabled sessions** – measured by attendance in sessions, with each session counted as one contact point. Failure to attend will be counted as non-attendance.
- b. **All assessments** – measured by submission of an assessment and/or mitigating circumstances, with each assessment opportunity counted as one contact point. Where an assessment is not taken, and mitigating circumstances are not submitted this will be counted as non-engagement.

12. ATTENDANCE AND ENGAGEMENT REQUIREMENTS

- 12.1. As a student at TEDI-London you are expected to take part in at least **80% of all contact points and not miss more than 10 consecutive contact points**. This information will be recorded on your student record and made available for you to view.
- 12.2. Attendance and engagement will be monitored by the Registry on a fortnightly basis, throughout all teaching blocks. We will do this by reviewing class registers and assessment submissions.
- 12.3. If you fail to meet the attendance and engagement target, you will be subject to attendance support arrangements outlined in [section 14](#).
- 12.4. If you choose to interrupt or withdraw from your studies, this will be noted on your record and monitoring of your attendance and engagement will stop from the date you have interrupted/withdrawn.

13. YOUR RESPONSIBILITIES

- 13.1. To attend your studies regularly in-person and to maintain a high level of engagement with your studies online.
- 13.2. To ensure your attendance is recorded. Not recording your attendance, or forgetting to do so, is not an adequate explanation for absences on your attendance record.
- 13.3. To inform the Registry of any planned absences or of any ongoing issues or problems that are affecting your ability to attend.

- 13.4. To check your emails and Teams regularly and respond to any correspondence regarding your attendance or engagement. It is your responsibility to reply within any relevant period.
- 13.5. To provide any supporting evidence regarding non-attendance, where requested by the Registry and within the period provided.

14. ATTENDANCE AND ENGAGEMENT SUPPORT

- 14.1. We have a three-stage attendance support process which will be enacted if your attendance or engagement is unsatisfactory, this is detailed below.

14.2. Stage 1

If at any point you are considered to have not met the expected attendance and engagement targets you will be contacted by the Registry to discuss this and to organise any additional support to help you in your studies. At this stage, we will also issue a **first warning**.

14.3. Stage 2

If you fail to respond to the Registry contact and/or do not show significant signs of improvement at the next monitoring point, you will be required to attend an Attendance and Engagement Review meeting with your Personal Tutor to discuss how the situation can be improved. At this stage we will issue a **second warning**. As part of this meeting, an action plan will be developed by you and your Personal Tutor to support you in your attendance and engagement.

14.4. Stage 3

If you fail to respond to attend the Attendance and Engagement Review meeting and/or do not show significant signs of improvement at the next monitoring point, your case will be forwarded to the Academic Director for consideration.

- 14.5. The Academic Director will review the circumstances of your case and decide whether it is reasonable for you to continue your studies at TEDI-London. You will be notified when your case is being reviewed and given at least 5 working days to submit a written statement outlining any additional information you would like the Academic Director to consider. Once a decision has been made you will be notified of the outcome within 5 working days.

- 14.6. If non-attendance or engagement is significant or has been a recurring issue, we may proceed to escalate your case straight to stage 3 to consider further action. This might include withdrawal from your programme and for Student visa holders, a curtailment of our sponsorship of your visa, as outlined in [section 17](#).

PART THREE: STUDENT VISA HOLDERS

15. STUDENT VISA SPONSORSHIP: OUR RESPONSIBILITIES

- 15.1. TEDI-London is licensed by UK Visas and Immigration (UKVI) to sponsor international students requiring Student visas to study in the UK. The duties that we must adhere to as part of our sponsorship are outlined in this section.
- 15.2. As required by UK Visas and Immigration (UKVI), we must check your attendance and engagement on your programme. [Section 11](#) outlines how we do this.
- 15.3. We are obligated to curtail sponsorship of your visa if you have been absent from your programme without permission or have not been engaging sufficiently in line with this policy. Curtailment of your Student visa sponsorship would result in withdrawal from TEDI-London.

16. MONITORING STUDENT VISA HOLDERS' ATTENDANCE AND ENGAGEMENT

- 16.1. As part of our duties as a licensed sponsor, we must check your attendance and engagement. We do this on a fortnightly basis, following the process outlined in [section 11](#). If your attendance is of concern, we will follow the process outlined in [section 14](#).

17. CURTAILING OF STUDENT VISAS

- 17.1. As a Student visa holder, it is vital that you uphold the responsibilities outlined in [section 13](#) in relation to attendance. Failure to do so could result in the curtailment of our sponsorship of your Student visa.
- 17.2. Curtailment of our sponsorship means that your visa will be cancelled, and you will need to leave the UK. This can happen if:
 - a. You do not enrol within the enrolment period.
 - b. You stopped engaging in your studies, as detailed within this Policy.
 - c. You have interrupted, or withdrawn from your programme, please refer to the Interruption and Withdrawal Policy for further information.
 - d. You have been withdrawn from your programme as you have not met the requirements to progress, as outlined in the Assessment Regulations.

- e. Your studies have been terminated following a breach of TEDI-London's regulations, as outlined in the Student Disciplinary Policy.
-
- 17.3. We are required to report curtailed visas to UKVI within 10 days of being notified. You will then have 60 days in which to leave the UK. If the appeals process is followed, the 10-day period starts once all stages of the appeals process have been completed.

 - 17.4. Failure to leave within the permitted period is likely to result in you being considered an 'overstayer' by UKVI which is likely to result in future visa applications being rejected for at least a period of 12 months.

PART FOUR: APPEALS (FOR ALL STUDENTS)

18. INTRODUCTION TO APPEALS

- 18.1. You have the right to appeal any of the decisions under this Policy within 10 working days of receiving the written decision. A member of the Registry who has had no previous involvement in the case will act as Secretary to the Appeal Panel.
- 18.2. An appeal can be submitted on the following grounds, that:
- a. The procedures were not followed properly
 - b. The decision reached was unreasonable

 - d. There is bias or reasonable perception of bias during the procedure
 - e. The penalty imposed was disproportionate, or not permitted under the Policy.

19. PROCESS FOR APPEALS

- 19.1. In order to appeal a decision, you will need to write to the Registry outlining the reason for the appeal and including any necessary evidence. Decisions will normally be made on an appeal within 15 working days of its receipt.
- 19.2. If the appeal has been made on the specified grounds and within the timeframe, a Secretary will be assigned to the appeal. Once in place, the Secretary shall constitute a Panel which includes a Chair and two panel members from the panel pool who have had no previous involvement in the case.
- 19.3. The Secretary of the Appeal Panel shall organise a meeting of the Appeal Panel either physically or virtually and communicate the date, time, and location for the meeting to members of the Panel. You will be informed of the membership of the Panel attending the meeting.
- 19.4. The Appeal Panel will receive your appeal and evidence and the initial decision at least 5 working days before the Appeal Panel meeting.

- 19.5. The Appeal Panel will consider an appeal in private based on the written materials but has the discretion to request further information where this happens you will be sent a copy of any further information and be given an opportunity to provide a written response.
- 19.6. The Appeal Panel shall consider all the information that has been provided and decide to either dismiss or uphold the appeal.
- 19.7. Where the Appeal Panel has upheld an appeal on the grounds of new material evidence, it will normally send the matter back for re-consideration by the Attendance and Engagement Team. Where the Appeal Panel has upheld an appeal on any other ground(s), it can choose to send the matter back for re-consideration by the Registry or impose its own decision.
- 19.8. You will receive the outcome of the Appeal Panel within 5 working days along with reasons for the decision, and any substituted decision. This is the final stage of the internal process, and you will be issued with a Completion of Procedures (CoP) letter.
- 19.9. The initial decision made by the Registry will not normally be implemented while the appeal is being considered. Following the Appeal Panel's decision, any sanctions or measures shall be implemented, even if you intend to raise a complaint with an external body.
- 19.10. Where you subsequently fail to comply with any sanctions imposed by the Appeal Panel, further disciplinary action may be taken, as outlined in the Student Disciplinary Policy.
