- successfully achieve the required standard for the award.

2.4. TEDI-London aims to attract students based on their attitude, aptitude, and ability. We also aim to attract students from a wide range of backgrounds, from those with strong predicted Level 3 grades, to those with other relevant education and work skills. Our admissions process is geared toward ensuring every application is considered on an individual basis, and that every applicant has an equal and fair opportunity to prove they have the potential to succeed on our programmes.

- 2.5. All information about you will be treated as personal and sensitive data and stored securely to ensure that confidentiality can be maintained. We will need to process personal information (whether supplied directly by you or a third parties) in order to process the application to a programme and (if you enrol) to manage your student record and student experience. This may include sharing data with other third parties where this may be required for the fulfilment of the student contract, managing your student experience and for statutory and other legal reasons. You can find more information in our [Privacy Notice](#).

3. ROLES AND RESPONSIBILITIES

- 3.1. This Policy has been considered and approved by the Academic Board.
- 3.2. The Director of Student Recruitment, Admissions and Marketing has ultimate responsibility for the development and implementation of this policy.
- 3.3. Relevant academic staff will have responsibility and accountability in the application of this policy and to make admissions decisions based on our three guiding principles of Attitude, Aptitude and Ability as assessed during the Assessment Centre.

4. RECRUITMENT AND ADMISSIONS PRINCIPLES

- 4.1. Our work in recruiting and admitting new students, supports the goals and ambitions set out in our [Mission, Vision](#) and [Values](#).

- 4.2. Our aim is to attract a diverse body of engineering students and prepare them to be confident citizens and potential leaders in an increasingly globalised work environment.
- 4.3. We are committed to providing an admissions process that delivers fairness, transparency, objectivity, and equal opportunities within the legal and best practice framework of the UK. We welcome applications from individuals with diverse backgrounds and experience and will ensure our admissions decisions do not discriminate on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, or sexual orientation.
- 4.4. We will provide accurate information and advice to prospective students to enable you to make an informed choice.

5. TRAINING, DISSEMINATION, AND IMPLEMENTATION

- 5.2. The Admissions Policy will be available on our website and links to this will be provided in other promotional literature as appropriate. In most cases (during normal working hours), a personal conversation, with a team member, will be possible.

6. MONITORING AND REVIEW

- 6.1. This Policy will be reviewed by the Director of Student Recruitment, Admissions and Marketing on an annual basis and any changes recommended for approval by the Academic Board.

PART A: ADMISSIONS

7. APPLICATION METHODS

- 7.1. We accept applications via the following routes:
 - Direct applications (from our website).
 - University and Colleges Admission Service (UCAS).

8. ADMISSIONS CRITERIA

- 8.1. We will publish annually the typical admissions criteria for our programmes of study. This information will be included in print and digital format and our website.
- 8.2. Typical admissions criteria are set by the Academic Board and implemented by the relevant academic staff through the programme approval process.
- 8.3. We will periodically review these criteria, but such criteria will not be changed during an admissions cycle. The criteria published on our website will be the most up-to-date and will always take precedence over that contained in hard copy publications, and/or third-party websites.
- 8.4. We seek to primarily attract students with the appropriate Attitude, Aptitude and Ability to succeed. We will gather detailed evidence on your potential to succeed via an Assessment Centre. As a guideline, we would expect you to:
 - have 5 GCSE passes at Grade 5 or above (including Maths and English or equivalent), and
 - be on-track to achieve BBB at A level or equivalent.
- 8.5. We welcome potential students who may be in or have left employment, seeking to retrain, upskill or cross-train in the engineering and design field.
- 8.6. Offers for international students will be made using the guidance from [NARIC](#).
- 8.7. We are committed to giving full and fair consideration to all relevant information presented by each applicant and will use professional judgement of prior experience of qualifications when determining their equivalence.
- 8.8. To make a better-informed assessment of our applicants we will, following receipt of an application, request applicants to attend an applicant day where they will be guided through assessment activities that we can use to further assess their suitability for study at TEDI-London. This process also allows for applicants to experience the TEDI-London pedagogy and make informed choices when considering our programme.
- 8.9. Demonstration of the expected attitude, aptitude and ability on the application form will generate an invitation to the Assessment Centre.

- 8.10. Achievement (or predicted achievement) of relevant qualifications does not itself guarantee an offer of admission. TEDI-London will consider your personal statement, references, performance at Applicant Day.
- 8.11. Applicant Days will be offered online or in person.

9. APPLICATIONS FOR ADMISSION ON THE BASIS OF PRIOR LEARNING

- 9.1. In certain circumstances, we allow admission into our programmes outside of the normal cycle, either mid-year, or directly into year 2. You will be required to demonstrate evidence of prior learning that is directly relevant to our programme. This might be as part of a programme that you have undertaken at another university or learning gained during employment.
- 9.2. We review all applications for admission with prior learning on an individual basis. We strongly advise that you contact the [Admissions Team](#) to discuss options for admission with prior learning at the earliest opportunity. They will advise on the relevant next steps in your case.
- 9.3. You will be asked to complete an application form and an [Admission with Prior Learning Form](#).
- 9.4. You will then be invited to an interview or an Applicant Assessment Day to establish your motivation to study at TEDI-London and to ensure that you can succeed and adapt to the TEDI-London pedagogic approach.
- 9.5. To be admitted into year 2 of a full-time programme, you will need to evidence the attainment of 120 credits at level 4 in a directly relevant programme. We will assess these in line with the relevant higher education qualifications framework and may be able to exempt you from undertaking these credits at TEDI-London.
- 9.6. When you join a programme, we will determine how many credits we can award you for your prior learning (if any) and agree how you will catch up on any missed content you will need to accrue credits and successfully pursue the programme.

- 9.7. We are committed to giving full and fair consideration to all relevant information presented by each applicant and will use professional judgement of prior qualifications when determining their equivalence
- 9.8. Information that may be requested and considered as part of an application for admission with prior learning includes, but is not limited to:
- An academic or employer reference
 - An academic transcript of previous studies
 - Certificates of professional development awards, employment-based awards or non-UK awards
 - Information about current or previous course of study e.g. Module Specifications, Programme Specifications
 - Coursework or project work.

10. ENGLISH LANGUAGE PROFICIENCY

- 10.1. All our programmes are delivered in English
- 10.2. We, therefore, require successful applicants to demonstrate that their ability to understand and to express themselves in English (including in reading, writing, speaking, and listening) which is sufficient to enable them to achieve the full benefit from studying here
- 10.3. We publish our minimum English language proficiency criteria for all programmes of study. These are set in line with the UK Visa and Immigration guidance.

11. OVERSEAS (VISA) NATIONALS

- 11.1. All applicants must provide evidence that they hold the right to study in the UK or are eligible to apply for a [Student visa](#).
- 11.2. We reserve the right not to admit you if you do not have the right to study in the UK.

12. SELECTION PROCESS

- 12.1. Where you are made an offer by TEDI-London, the offer will set out clearly if it is conditional upon you achieving an academic or other standard, and/or on the provision of suitable references, and/or on evidence demonstrating that you have

satisfied all non-academic conditions. In all cases, where evidence is written in a language other than English, you will be responsible for providing a notarised translation of the same into English and for arranging the submission of both the original and translated copies to TEDI-London

- 12.2. All shortlisted applicants will be invited to attend an Applicant Assessment Day.
- 12.3. Unconditional offers can be made following an Applicant Assessment Day, subject to outstanding Visa or language requirements.
- 12.4. If you are made an offer, you will be informed how to accept or decline. If you have a conditional offer, you may not enrol until all conditions have been satisfied in full.
- 12.5. Once the required conditions have been met, you will be sent an unconditional offer which you may accept or decline.
- 12.6. Offers can be deferred for up to one academic year. Such requests should be submitted via email to admissions@tedi-london.ac.uk the Admissions portal.

- 14.1. We welcome applications from candidates with a disability or additional support needs. Your applications will be considered against the same criteria, (subject to making reasonable adjustments where possible) as all other candidates following the process outlined in this policy.
- 14.2. The procedure for admission of disabled applicants will follow the legislative requirements of the [Equality Act 2010](#) and one in which the consideration of your academic suitability is separated from the discussion centred on your other needs.

- 14.3. Further information for prospective students regarding disabilities and additional support needs is available from the [Student Hub](#).

15. CRIMINAL CONVICTIONS

- 15.1. We have a duty of care to all staff and students and will require new students to complete a criminal convictions declaration. Further information can be found in our [Criminal Convictions Policy](#).

16. FRAUDULENT AND MISLEADING INFORMATION

- 16.1. TEDI-London expects that applicants and/or their representatives will have provided full, honest, and accurate information on their application form and in all subsequent communications with us. Where we have reason to suspect that this may not be the case, we reserve the right to investigate the matter fully. If, during such an investigation, we find that an application contains fraudulent or misleading claims, we reserve the right to withdraw any offer made.

17. GENERAL RIGHT TO REFUSE ADMISSION

- 17.1. We reserve the right to reject an applicant or withdraw any offer made based on your behaviour during any part of the application process, if such behaviour is deemed to be unacceptable in accordance with our Equality, Diversity & Inclusion Policy, Dignity at Work Policy, any other relevant policy, or our [values](#).

APPENDIX 1: TEDI-LONDON ADMISSION WITH CREDIT APPLICATION FORM

Please read all the information in this application form carefully as it contains important information to enable you to submit a successful application for admission with credit.

The direct application form is to be completed if you have previously studied at Higher Education level and wish to apply for admission with credit to year 2 of a TEDI-London programme.

HOW TO APPLY

Please apply via our direct application form.

You will need to send a completed application form along with an electronic copy of your official academic transcript(s). You will also need to provide syllabus information/learning outcomes.

Please note – you may be required to send your original documents at a later stage. If this is required, we will email you to request this.

EVIDENCE REQUIRED

You should provide an official academic transcript that lists the modules completed, grades achieved, and credits awarded at each academic level/in each year. It will either be on official letter headed paper or be stamped/signed by the registry department

If you do not have the necessary documentation, you will need to contact your previous university or professional/awarding body to request they post the documents to you.

SYLLABUS INFORMATION
